# ABOUT US

**Nagarjuna College of Engineering and Technology, Bengaluru**

Nagarjuna College of Engineering and Technology (NCET) is a premier institution committed to academic excellence, innovation, and industry-oriented education. Located in Bengaluru, the technology hub of India, NCET provides a strong foundation in engineering, research, and professional development.

The college emphasizes hands-on learning, interdisciplinary collaboration, and real-world problem solving, preparing students to meet global technological and societal challenges.

## **ABOUT VIBEXATHON**

VibeXathon is an elite 24-hour innovation hackathon designed to bridge the gap between academia and industry. It brings together ambitious innovators, problem solvers, and creators to collaborate, ideate, and develop impactful solutions to real-world challenges.

This high-intensity innovation sprint empowers students to transform ideas into functional prototypes while gaining hands-on experience, expert mentorship, and valuable industry exposure in a competitive yet collaborative environment.

## **WHY VIBEXATHON?**

VibeXathon goes beyond being just a competition—it is a platform for creativity, collaboration, and critical thinking.

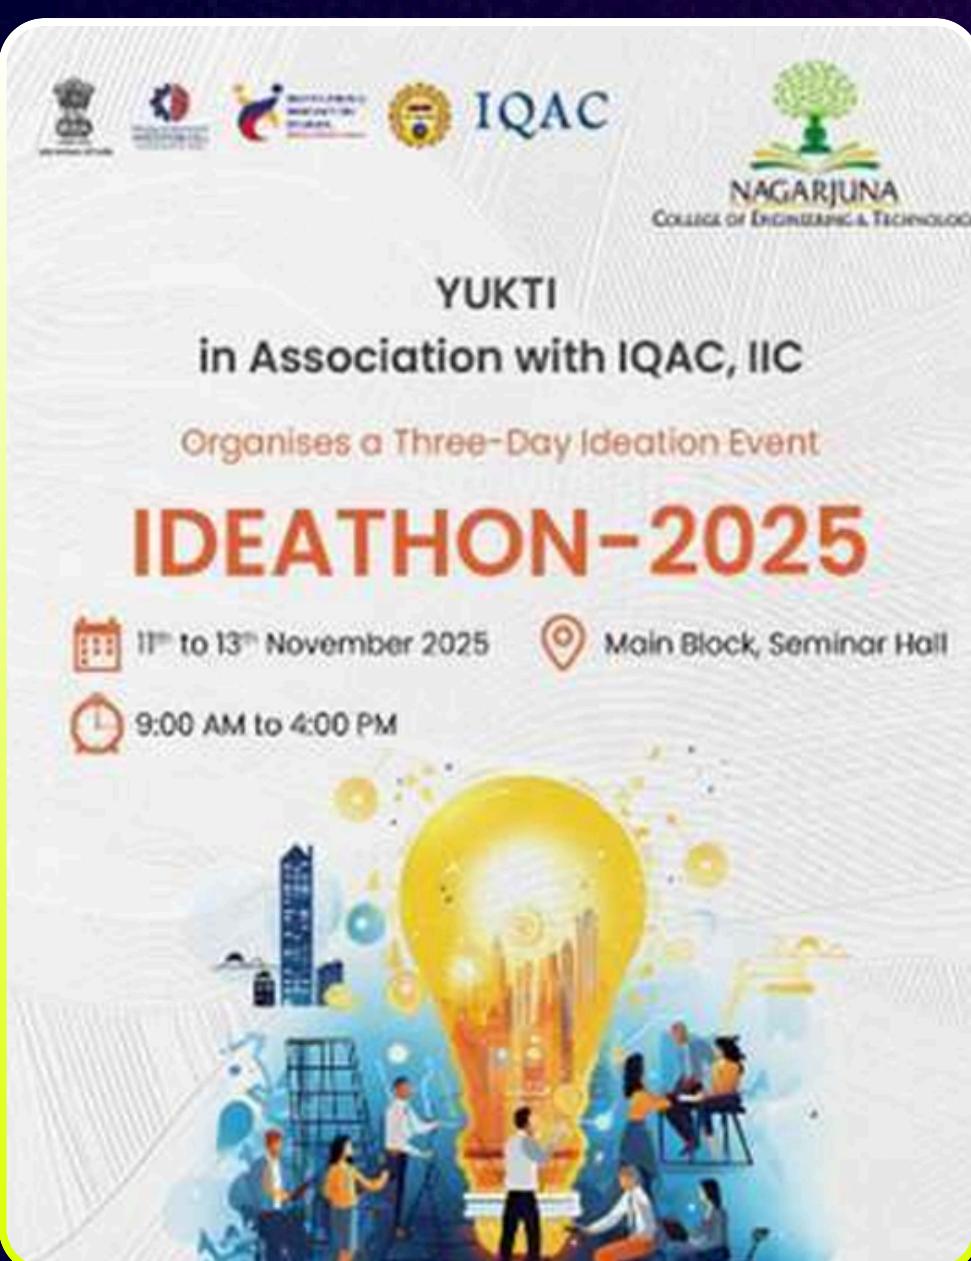

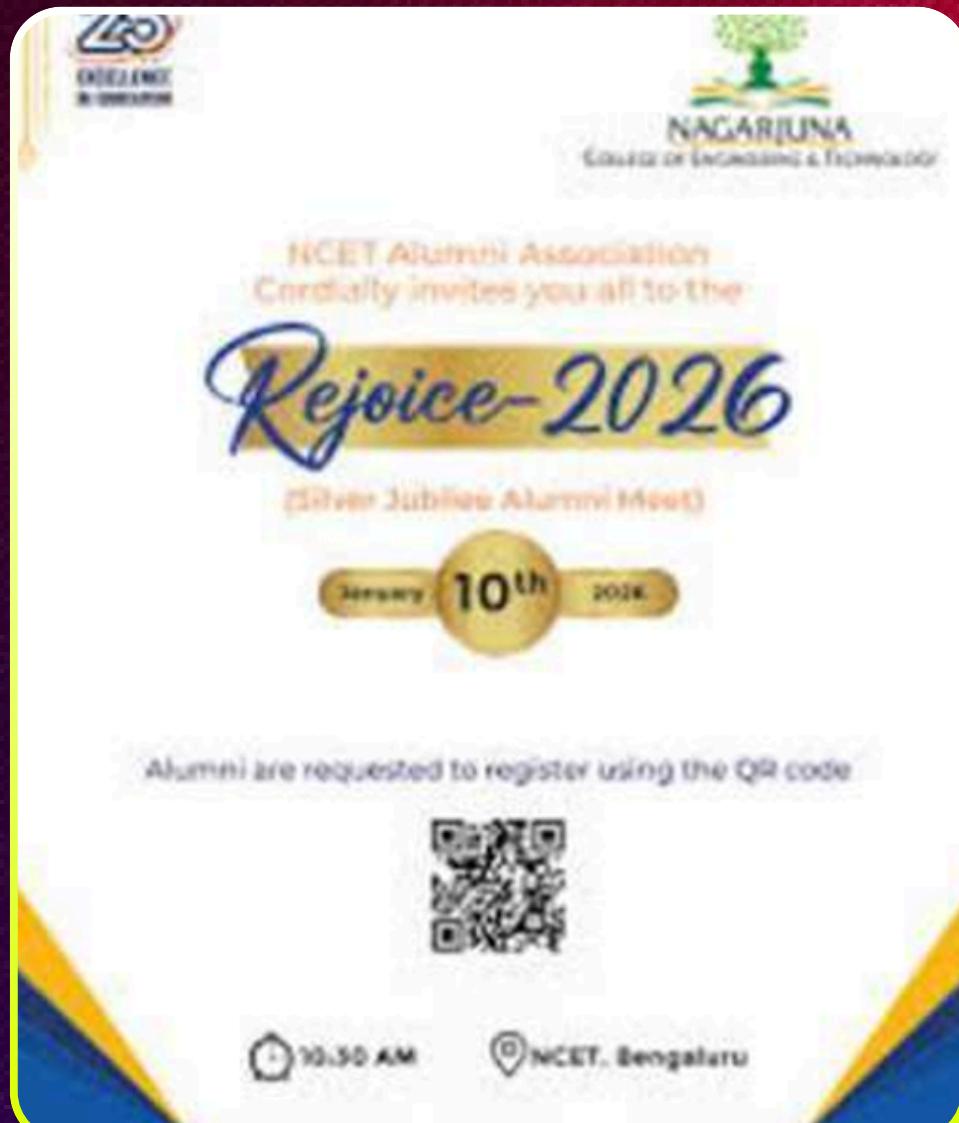

- Team-based problem solving under time constraints
- Guidance from experienced mentors
- Evaluation by industry professionals
- Ideal for developers, designers, and strategists

VibeXathon offers the perfect ecosystem to learn, innovate, and grow.

# SUCCESS STORY OF PAST EVENTS

All events were conducted successfully at NCET, with seamless coordination and active participation throughout. The campus hosted four key events—the Innovation Hackathon, Technical Workshop, Expert Seminar, and Project Expo—providing an engaging platform for innovation, learning, mentoring, and collaboration, and ensuring a meaningful experience for all participants.

<b>Date</b>	<b>16-17 March 2026</b>
<b>Time</b>	<b>10:00 AM to 12:00 PM (Next Day )</b>
<b>Working Hours</b>	<b>24 hours</b>
<b>Venue</b>	<b>NCET, Bengaluru</b>

# SPONSORSHIP BENEFITS

## platinum sponsor

The Platinum Sponsor receives the highest level of brand exposure and engagement throughout the event. This includes main logo placement across all marketing and promotional materials, prominent stage branding with prime event visibility, and extensive digital promotions across online platforms.

## premium sponsor

The Premium Sponsor enjoys priority branding across key event materials along with targeted social media promotions. Sponsors at this level receive on-site visibility during the event, recruitment access opportunities to interact with participants, and featured mentions during key moments of the hackathon, ensuring consistent brand recognition.

## gold sponsor

The Gold Sponsor benefits from enhanced logo placement on marketing materials and logo display on event banners and signage. This tier offers featured visibility on digital platforms, greater overall brand exposure, and select promotional opportunities during the event to engage directly with the innovation community.

## silver sponsor

The Silver Sponsor receives logo placement on select marketing materials with limited on-site visibility benefits. This tier includes inclusion in digital promotions and basic branding support, providing a cost-effective opportunity to associate with the event and its innovation-driven audience.

# WHY PARTNER WITH US?

Partnering with VibeXathon 2026 offers organizations a strategic opportunity to engage with a highly motivated and technically skilled student community. Sponsors gain direct access to highly skilled emerging talent with expertise in Python, Java, Artificial Intelligence, Machine Learning, and Cloud Technologies—making the event an effective recruitment and talent-scouting platform. By associating with VibeXathon, your brand is positioned as a leader in innovation and technology-driven growth, demonstrating commitment to education, creativity, and future-ready solutions. The event delivers strong community and digital reach, supported by an active network of 5,000+ social media followers and 50+ engaged tech communities, ensuring meaningful brand visibility before, during, and after the hackathon. Sponsorship contributions are utilized transparently and effectively across the prize pool, event logistics, participant hospitality, branding initiatives, and media promotions, maximizing value for both sponsors and participants.
